

## Tree of Love FAQs

### **How does the interactive Tree of Love page work?**

---

The tree will fill with decorations with every donation. To select an item, write a message, and donate:

- Enter the website address, [visufund.com/treeoflove](http://visufund.com/treeoflove) in your internet browser.
- Click the green 'Donate' button (left column or top right of page) and choose the item you'd like to add to the picture. Another way to begin is to select a ghosted (grayed out) item on the page.
- Once you've decided on a decoration, click the item and then click the 'Select & donate' button.
- Next, write a personal message (optional), upload a photo (optional), and choose how much you'd like to give.
- After completing a short donation form (all major credit/debit cards accepted), your item and message will instantly appear on the page.
