2021 HIGHLIGHTS

Two VHS employees were chosen to be part of a group representing healthcare heroes across New England and received an all-expense paid trip to Super Bowl LV, including roundtrip transportation on the Patriots team plane, thanks to the generosity of the Kraft family.

An easier way to find veins. Thanks to an anonymous donor, the hospital purchased three new AccuVein devices to locate veins quickly during IV setups, blood draws and injections. The donation covered the technology as well as power equipment and wheeled carts to transport them to patient rooms.

New Cardiac and Neurologic Testing Suite opened and a very generous donation helped with the renovation of the space and the purchase of new equipment.

In appreciation of our Healthcare Heroes, Mont Marie Rehabilitation & Healthcare Center gifted the Batch ice cream truck for our staff to enjoy!

More than 1,800 Dunkin' gift cards were donated by LifePoint Church for Healthcare Heroes at VHS.

250 \$5 gift cards and boxes of munchkins were delivered to our healthcare heroes by Dunkin'.

Holyoke Medical Center opened and began providing care in two new behavioral health units for adults and seniors on June 1, 2021.

River Valley Counseling Center, Inc. (RVCC) opened a new office location in the Westwood Building at 94 North Elm Street in Westfield. The new office offers behavioral health services for individuals and families.

In January of 2021, over 9 months from their arrival, veterans living at HMC were able to return to the Holyoke Soldiers' Home.

The Wound Care Center was named a recipient of the Center of Distinction award by Healogics®, the nation's largest provider of advanced wound care services.
